Independent Final Write - The Great Fire of London (Diary)

London 1666

Sunday 2nd September

I Woke to thick black smoke and flames on Pudding lane. I jumped out the window and escaped from the fire. I heard people shouting and crying in London. And there was a fire on

✓ Pudding lane.

Monday 3rd September

✓ People were running away from the fire. The fire spreaded across London.

* The fire ~~spreaded~~ was so big

The gigantick fire reared the tower of London and destroyed the

✓ tower of London. I ran to safety. I feel so sad. the houses were made

of wood and wattle and daub. 10 people died in the ~~great~~ great fire of

London. People escaped on boats

Thursday 6th September 1666

✓ The king orderd to blow up houses. Finally the fire is gone

✓ every one was happy happy at least * loads of
