

The Jigsaw! Charter

- We take turns to speak
- We use kind and positive words
- We listen to each other
- We have the Right to Pass
- We only use names when giving compliments or when being positive
- We respect each other's privacy (confidentiality)

In this Puzzle we will look at different life cycles in nature including that of humans. We will reflect on the changes that occur between baby, toddler, child, teenager, adult and old -age. Within this, we will also discuss how independence, freedoms and responsibility can increase with age. As part of a school's safeguarding duty, pupils are re-taught the correct words for private parts of the body (those kept private by underwear: vagina, penis). They are also reminded that nobody has the right to hurt these parts of the body.
