

Reception and KS1

We really value your responses in evolving our remote learning practice. Here are some of the things we've improved in light of what you have told us!

Your Feedback Matters

You said:

We would like more sessions online so pupils can 'see' their teachers and their friends?

We did:

Daily live activities or recorded stories by teachers and teaching assistants.

Impact:

Children have more contact with their teachers and peers!

Your Feedback Matters

You said:

It is difficult to manage the live activities for the children, if we have more than 1 child at home.

We did:

Teachers arrange for all live activities to be at the same time each day.
Eg Year 2 at 2pm.

Impact:

Live activities are at the same time each day so the timings are consistent and easier to remember.

Your Feedback Matters

You said:

It would be really useful to include subject headings and a year group in all email correspondence.

We did:

All emails are titled with the appropriate year group and a brief subject heading.

Impact:

Parents know which emails specifically apply to their child.
