

In memory of Frazer Wilton

Last week we heard the very sad news that little Frazer had passed away after his long battle with Battens Disease.

Frazer was a much-loved member of our school community and will be greatly missed by staff, children and families. We send our deepest condolences to his parents Amy and Dave, his older brother Alfie and their family.

Frazer enjoyed a happy life in our Reception class from September 2017 to December 2019. With his cheeky sense of humour, his giggles and his big smile, he was certainly loved by all.

Frazer made a special bond during his time in Reception with one of our class cuddly toys - Stripy the Tiger. We all remember the brilliant fun we had on our Stripy day when the children came to school dressed in tiger costume to raise money for a Battens charity. Stripy remains in Reception doing his special job of helping children to settle into school life and learning, however for us, he will always be a reminder of one very special little boy.

Frazer's family have invited the community to attend a special 'Celebration of Frazer's Life' service next Wednesday 21st at 11am at St Mary the Virgin, C of E Church, St Marychurch, Torquay.
