

Foundation Stage News

May 27th 2022

Our learning this week:

While the cat's away, the mice will play...Mrs Russell and Miss Watkinson have been visiting the children who will be coming to join Reception next September and left some really exciting learning behind at school.

We had an awesome visit from Chris the animal man. We saw so many wonderful creatures and even got to hold some of them too.

Mrs Posey from Year One came to be our teacher for the day.

We talked about some of the things we can look forwards to when we go to Year One.

We had a visit from the RNLI who came to talk to us about keeping safe on the beach and in the water. Your child may be able to tell you some safety tips next time you visit the seaside.

Lifeboats

Our week finished with wonderful Jubilee celebrations. We had a sunny picnic on the field wearing our dazzling crowns (a few of the children were expecting the Queen herself!)

A date for your diary:

On July 12th from 3:30pm–4:30pm we are hosting our annual Early Years Picnic on the school field. You are invited to come along with your child and their siblings. We have also invited our new Reception children who will be joining us in September as a way for them to begin to make new friends. Please bring a yummy picnic to enjoy and the sunshine too!

Our learning after half term:

We will begin our new topic of 'On the Move'. We will look at different types of vehicles on the land, in the sea, in the air and even up in Space! Look out for our Curriculum Map on the school website at the start of next half-term to find out more about our learning.

In the first week back we will be learning about vehicles with wheels. We will read a super story about a naughty bus and will become storytellers ourselves thinking of our own mischievous ideas for this wheeled character. We will explore forces using our toy vehicles, finding out how different surface materials and gradients can affect the movement of the wheels.

Key vocabulary for the week after half term:

push pull force turn fast slow 'one day' next finally

Wishing you all a wonderful half-term break!
