

In this Puzzle friendships are also revisited with a focus on falling out and mending friendships. We will consider the importance of trust in relationships and what this feels like. We will also learn about two types of secrets, and why 'worry secrets' should always be shared with a trusted adult. We will reflect upon different types of physical contact in relationships, which are acceptable and which ones are not. The children also discuss people who can help them if they are worried or scared.

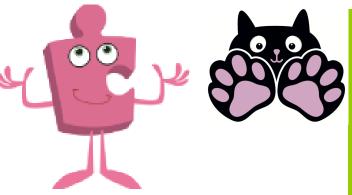

- Know that everyone's family is different
- Know that families function well when there is trust, respect, care, love and co-operation
- Know that there are lots of forms of physical contact within a family
- Know how to stay stop if someone is hurting them
- Know some reasons why friends have conflicts
- Know that friendships have ups and downs and sometimes change with time
- Know how to use the Mending Friendships or Solve-it-together problem-solving methods
- Know there are good secrets and worry secrets and why it is important to share worry secrets
- Know what trust is

JIGSAW PSHF Collectable Year 2
