

JIGSAW - PSHE Collectable Year 3

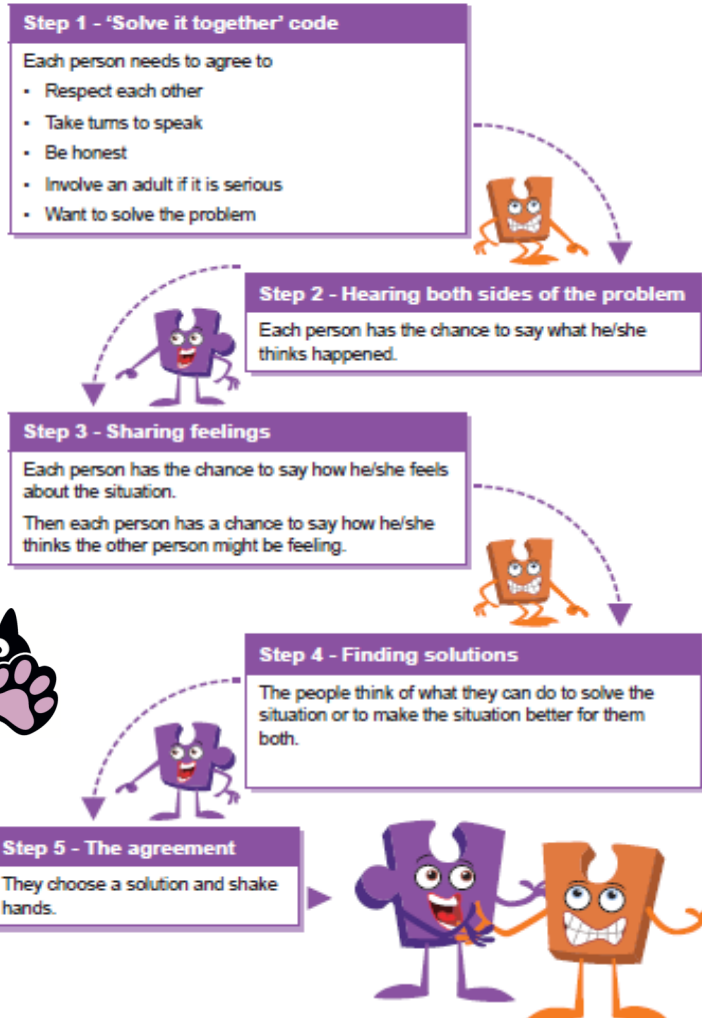

The Jigsaw Charter

- We take turns to speak
- We use kind and positive words
- We listen to each other
- We have the Right to Pass
- We only use names when giving compliments or when being positive
- We respect each other's privacy (confidentiality)

'Solve it together' Technique

In this Puzzle we will talk about people who have faced difficult challenges and achieved success. We will learn to respect and admire people who overcome obstacles and achieve their dreams and goals (e.g. through disability)

We will talk about dreams and ambitions that are important to us and imagine how we will feel when we achieve them. We are going to face challenges and break down a goal into a number of steps and know how others could help to achieve it .

We will learn to recognise obstacles which might hinder our achievements and understand that we can use our strengths as a learner to over come and achieve challenges. We will develop our confidence in sharing our success.
