Photo Gallery

Author Isaac

Isaac has enjoyed making a book all about his Teddy Lemon! Look at that beautiful front cover and what a super story it was too!

Super sewing skills

Lola has learnt a new skill at home and has made some fantastic new beds for her dolls. She enjoyed learning how to measure her fabric, create a template and how to sew it all together. She will be taking part in 'The Great British Sewing Bee' in no time!

Explorosaur Ethan

Ethan has had great fun taking part in the '30 days wild' challenge so far. He has been a busy bee hunting for bugs and planting flowers! You can download this fun wildlife challenge for free from 'The Wildlife Trusts' website and it comes highly recommended by Ethan!

Ladybird Craft

Theon had great fun creating his ladybird look at that careful painting! He even made sure the spots were symmetrical! What a 'think-o-docus'!

Computer whizz

Niamh has been learning how to use the computer with independence, she has been learning how to set it up and she has even been learning how to do some of her own research. Look at all the different kinds of ladybirds she has found out about!

Try-a-Tops Jake

Jake has been working super hard on his learning this week and sporting a super new haircut too!

Learning together!

Rosie and Ella enjoyed practising their Red Words over the phone... fitting in a quick hour long chat too!

A Tasty Treat!

After lots of hard work creating beautiful ladybird pebbles and writing information posters, Poppy and Oliver celebrated with a treat. When you can't get to McDonalds, call for a 'MumDonalds' instead

Don't forget in this hot weather to put your sun lotion on and wear a hat. Stay safe!

Going on a Bug Hunt!

Ginny and teddy went on a bug hunt looking for lady-birds. We love how you are using your looking eyes and gentle hands as you search.

Sharing is Caring

Austin shared some food with the local ducks this week. We are so impressed by how caring you are with the wildlife.

We'll Meet Again!

VE Day preparations going on in Ruby's household whilst they still buzz with the exciting news that a Grizzly bear broke in to their friend's garden!
