Fun Newsletter

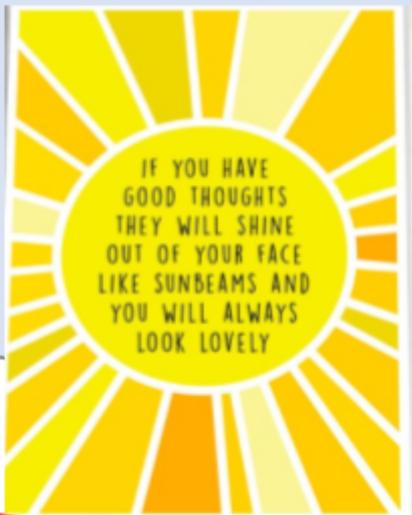

Welcome Back

This "Fun Newsletter" is designed just for YOU. We hope you are all well and staying safe during this unusual time. The idea of this newsletter is to stay in touch and put together a few snippets for you to try at home. Enjoy!

All of the staff at school are working hard to bring you exciting and engaging lessons remotely. Some are at school; looking after those of you whose adults are keyworkers. Others are at home setting all the online tasks and responding to your emails.

It's not how we expected to start the year but we'll get through this different and challenging time together.

As Harry Potter's Albus Dumbledore said "Happiness can be found in the darkest of times, if one only remembers to turn on the light."

Fun Facts

An Octopus has 3 hearts and blue blood.

The largest living sea animal is the blue whale and can grow up to 100 feet long, that's about 3 double decker buses long.

Guinness Book of Records - Longest jump by a cat. Alley the cat made a record jump of 182 cms!

Riddle Challenge

Joke Corner

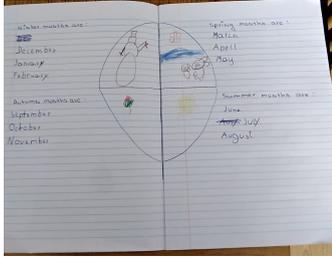

Why was the teacher cross-eyed?

Because she couldn't control her pupils...

Teacher: Where is the English Channel?

Pupil: I don't know, I haven't got digital TV.
