

St Margaret's Academy KS1 Fun Newsletter

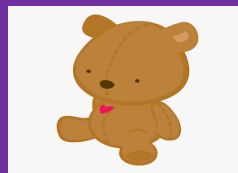

12.02.2021 Week 6

We hope you are all keeping safe and well, we look forward to having you all back in school when it is safe for us all. For the time being we have really enjoyed seeing you all during our fun Zoom meetings, this is a great way for you to see your teachers and friends.

JOKE FOR THE DAY:

How do you start a teddy bear race?
Ready teddy go!

HALF TERM CHALLENGE:

At St. Margaret's we know you children are ready for any challenge! How about a challenge for you and your grownups?! Over the half term holiday (if you get a chance) we thought we would challenge you to take a trip to any local beach and take part in a plastic pick up.

You can pick up a small amount, a large amount, you could make this part of your daily exercise, any amount of plastic collected is greatly protecting our oceans and the animals that live in it.

You could even send in your pictures for the next fun news letter.

Happy plastic picking!

Happy Half Term KS1!

The National Marine Aquarium have some great resources online, why not visit their website, where you can find home learning available (click the link below) and also a fun short story **FRIDAYS AT 1:30 – 1:45PM** <https://www.national-aquarium.co.uk/learning-at-the-aquarium/home-learning-sessions/>

We are so proud of you all for your super efforts at home learning and for the children in school all the learning you are taking part in, you can do this!

PHOTOS OF THE WEEK

Darcy and her little sister enjoyed the PE. Kyron-John was ready for action to watch his favourite football player Marcus Rashford lead the PE lesson!

Happy Half Term KS1!

Year 1 have been making stretchy flowers to remind themselves that sometimes you have to reach hard to achieve your goals.

Kaja made a fab attempt at making an elastic band powered boat, looks as though Doc McStuffin came along for the ride!

Zoe's boat made a ride for 2, what fun they must have had, must have been lots of fun making the boat, with your recycled resources.

Lilli created an amazing poster, we think it is very informative on all the things that can be recycled, great work!

Happy Half Term KS1!
