

## Year 3 Computing - Creating media (Animation)

### Vocabulary

**Frame:** Each picture you will take

**Onion skinning:** It shows the previous frame faintly to help you see where to draw next.

**Editing:** Changing

Be **consistent** and **careful**

- Small movements between each frame
- Same background/characters
- Ipad and background still in each frame

An **animation** is where a number of still images are shown quickly, which makes it appear to look like a moving image

1) Select '*manual*'

2) Add 'title'

3) Click 'start'

4) Turn on 'onion skinning'
