SNACK

The children are offered a healthy snack during the morning session.

We are a healthy eating school committed to encouraging our pupils to adopt a healthy lifestyle. As part of this we encourage pupils to bring in a piece of fresh fruit and offer a short break for them to eat this each morning. Please do not send in cereal bars or other processed foods.

In Reception and Key Stage One, children are provided with fresh fruit free of charge under the government funded School Fruit and Vegetable Scheme.

Drinks

Your child should bring their own water in their own named drinks bottle daily. Children have access to water throughout the day and we encourage them to drink regularly.

LUNCH – SPECIAL INVITE

Reception will go for lunch first and eat in the hall. They then go outdoors to play.

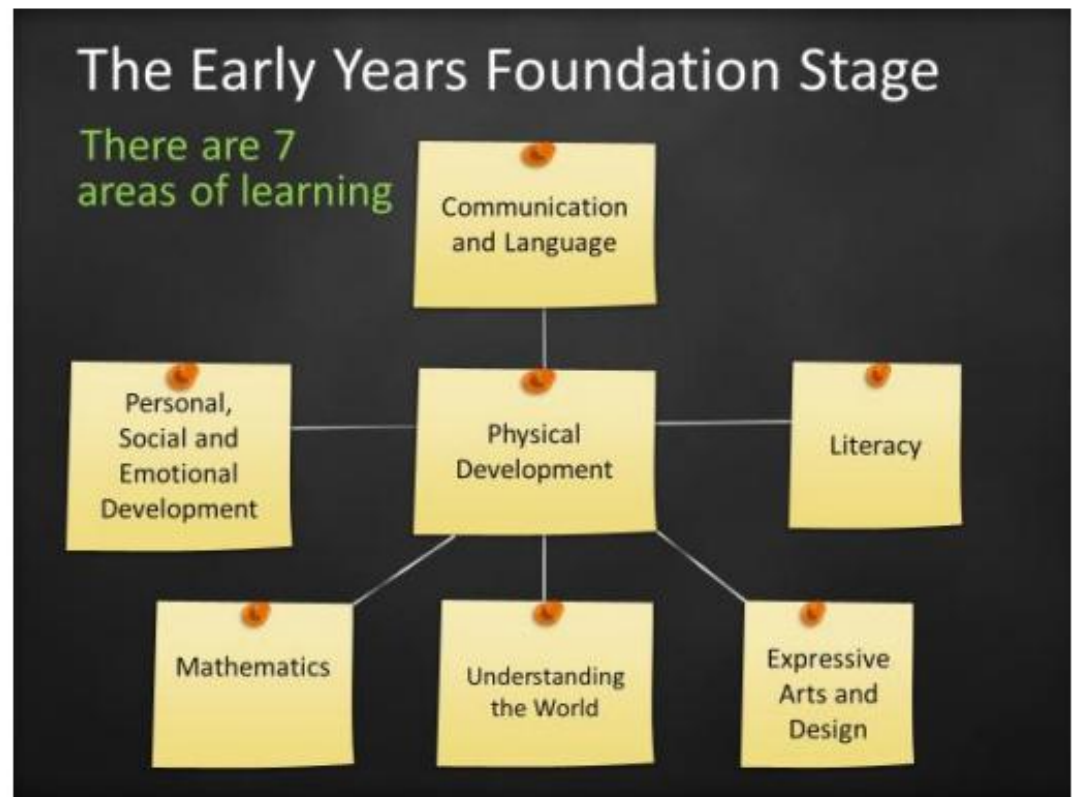

School Meals

All of our school meals are freshly cooked in school in our well equipped kitchen, using local suppliers where possible and following healthy living guidelines. All children in reception and key stage 1 classes have a school meal provided free of charge.

ATTENDANCE

We cannot emphasise enough the importance of your child attending school every day.

Regular school attendance is an important part of giving children the best possible start in life. The aim should be to attend 100% of the time.

Children who miss school frequently can fall behind with their work and do less well. Being in school is important to your child's achievement, wellbeing, and wider development.

Please do not book holidays during term time
