

<p><i>Practice the pollution song we learnt in class this week.</i></p> <p><i>Have a go at performing it to someone – this could even be a pet or your favourite cuddly toy!</i></p>	<p><i>Go for a walk along the beach and see if you can spot any plastic pollution.</i></p> <p><i>If you do, explain to your adult how it ended up on the beach.</i></p>	<p><i>Tell someone at home a fact you have learnt about plastic pollution.</i></p> <p><i>Remember, this could be a person, a pet or even a cuddly toy!</i></p>
<p><i>Practice saying a speech at home. This could be the one you are writing in school or a different one.</i></p> <p><i>Remember to speak with a clear voice and get your audience interested!</i></p>	<p><b>Year 5</b></p> <p><b>Homework Grid</b></p>	<p><i>Read your favourite story to somebody that you live with – remember, this could be a pet or a cuddly toy!</i></p>
<p><i>Complete one of the Dunboyne challenges this half term!</i></p>	<p><i>Create a piece of artwork to represent the journey of a piece of plastic pollution.</i></p> <p><i>Use what you have learnt about oceans to help you with this.</i></p> <p><i>You could paint it, create a collage, draw it or even create a sculpture!</i></p>	<p><i>Ask an adult if they remember the '1997 Lego Spillage'.</i></p> <p><i>If they don't, tell them about it. If they do, see if they know anything you could share in class.</i></p>
