

Reception and KS1

We really value your responses in evolving our remote learning practice. Here are some of the things we've improved in light of what you have told us!

Your Feedback Matters

You said:

Links on the timetable which we can click and which will take us straight to the right resource at the right time would be good.

We did:

Teachers now include website links on the weekly timetable. (Where they are needed for specific lessons)

Impact:

All of the links are easily accessible for parents to click on at the start of each lesson.

Your Feedback Matters

You said:

It would be really helpful to group resources on the ILD so email notifications are less.

We did:

Staff group resources where possible (however only 5 resources can be added to the ILD at a time).

Impact:

Less notifications are sent but parents know when all of the resources have been uploaded and can still find them easily.

Your Feedback Matters

You said:

Can you organise zoom codes in advance so we have them at the start of the week?

We did:

Zoom links for the Monday Parent Meeting and live afternoon sessions are given with repeated links so they are all easily accessed.

Impact:

Parents no longer have to wait for links and can plan ahead.
