

St Margaret's Academy KS1 Fun Newsletter

Week 3
22.01.21

Here is the 3rd fun newsletter of the Spring term and also of the year 2021! We hope that your first few weeks of the year have gone as well as possible, whether you are in school or doing your learning at home and keeping in contact with us on your screens. We are enjoying creating these newsletters for you and hope that you are enjoying reading them. Over the last couple of weeks, we have been able to share all about what you have been up to so far this term. It has been a great opportunity to keep in touch with news and photos at this time when some of us are not able to be together. Included in this week's newsletter are more fun facts, jokes, photos and more!

Enjoy 😊

Art Challenge

Have a go at drawing your own rabbit character!

Follow the steps to add one bit of the drawing at a time.

The **red** parts are the bit to add.

Here is Madeline cuddling her fluffy rabbit. How cute!

Look at this amazing Lego construction!
If you need a house designed just ask Rory in Beech Class!

Lily made a far away tree out of an old CD stand. The tree has patterned leaves because they are magic. All the characters are in there, including the brown owl and the children. We are about to create some lands.

Music has been all around us in Year 1 this week! Lots of bands forming. See the website 'Smiles' section for the full concert!

Ava would like to share the house that she has built for her cat Peaches.

Her sister Iris helped her decorate it. Peaches has been in to have a look around but hasn't stayed in there, so Ava wants to add something soft inside so it is all cosy for her.
