

Summer Term Newsletter No.10

We have to say a very big 'Well done' to our Reception children for taking part in their first whole school Assembly last Monday. They were super confident and a delight to watch as they informed us about spiders through song, telling and acting stories and using sign language. They loved performing to their families on Wednesday so thank you to all those who were able to come along and join in the fun.

Sports Day is a fantastic opportunity to get outside of the classroom, try something new and work as a team. KS1 sports day was held on 28th June in glorious sunshine. Sports day is split into two parts, the children all competed in the track events in their house teams and then the children went round the fun carousel in their classes and competed against other teams. Well done to Drake (blue team) who came first and to Hawkins (yellow team) who came second, Grenville (green team) in third place and Raleigh (red team) who came fourth.

On Friday we were able to complete the KS2 Sports Day track events - again, in glorious sunshine. The sun was just too hot for us to spend all day outside but the children enjoyed a cooling treat after their morning's events. Well done to Grenville (green team) who came first and to the thirteen new record holders 2018.

There were some great individual and team performances. All the children far exceeded expectations and performed brilliantly in all the events. St Margaret's have many talented children and we are very proud of their achievements and enthusiasm for sport.

A huge thank you to all the parents, carers, friends and family members that came along to support the children this year, we always appreciate the support you show the children and our school. And many thanks to the staff and our Y5 helpers for helping to organise such a successful day! Some photos on Page 2 of this newsletter and more to go on our website soon.

We are very proud of this week's Star Pupils!
