

Dear Colleagues,

SaMM (Saturday Morning Music) is back with face-to-face music teaching for all children aged 4-18. SaMM meets in term time on a Saturday morning at KEVICC, Totnes.

We have children from across the whole of South Devon attending our music classes. This is a great opportunity for your pupils to learn to play a musical instrument and more importantly to enjoy playing and performing with others. We have highly experienced and skilled teachers, and we would love to welcome children from your school.

Music has such a positive impact on a child's academic development as well as their social and emotional well-being that we are sure that as a school you will reap the benefits of the children attending.

We would really appreciate it if you could signpost pupils and parents to us. Please would you be so kind as to share the attached flyer either on your notice board, website or via your social media pages so that the children and their families are aware that this fantastic opportunity is available at KEVICC in Totnes each Saturday morning.

If you know of a child who is keen to learn music but might have difficulty paying, please do encourage their parents to get in touch as we do have some bursaries available for families that need it. We don't want a child to miss out for financial reasons. **Free** taster sessions are available for **all**.

We also offer FREE visits by our small orchestra of tutors who will introduce the different instruments to the children. If your school would be interested in such a visit, please email us at: admin@sammtotnes.org

Please visit our website www.sammtotnes.org for more information or contact me on 07446 909337 if you would like any further information.

Best wishes and thank you,

Richard Gonski
Director
SaMM
